

Help Support Partners In Care in our 25th Anniversary Year!

Partners In Care Maryland, Inc. 8151-C Ritchie Hwy, Pasadena, MD 21122 410-544-4800

For 25 years, we've helped older adults live with dignity and independence in the homes and communities they love.

Partners In Care is a 501(c)3 community nonprofit helping older adults remain independent in their own homes and engaged in the community. We operate as a time-exchange program with approximately 2,000 members in the greater Annapolis area exchanging services to support each other in the spirit of *Neighbors Helping Neighbors*.

The Rotary Club of Annapolis has selected us to be their nonprofit partner for the annual Black Tie & Diamonds FUNdraising gala, to be held March 2, 2019 from 6-11 pm at The Hotel Annapolis (formerly Loews Annapolis Hotel). Our goal is to raise \$60,000 to support critical programs to help older adults stay in their own homes where they want to be, involved in the community they love, with a supportive social network of care around them.

Our services include **RIDE PARTNERS**, in which volunteer drivers provide approximately 150 arm-in-arm rides each week to take people to medical appointments, to grocery stores, to visit family and friends, and on errands of all kinds; and **REPAIRS WITH CARE**, in which handymen and women make approximately 15 minor repairs each week to help people maintain their homes. Changing light bulbs, building railings, or fixing plumbing problems, can often make the difference in whether someone can stay in their own home.

Additional Partners In Care programs combat social isolation, assist individuals and families through difficult transitions, and help people, including many of our veterans, to access resources for economic security. We also have wheelchair-accessible mobility buses to take people where they need to go.
