

## Personal Emergency Response System (PERS)

partnersincare.org

Helping older adults remain independent in their homes.

Partners In Care / Connect America (PERS) is a waterproof medical alert device you wear on your wrist or around your neck that is designed to reduce the concerns and risks of being alone.

In the event of a scare, fall or emergency, help is available at the touch of a button.

Easy payment options include: PayPal, ACH, Debit or Credit Cards

Partners In Care is the recognized leader in Maryland for programs and services that support the independence of older adults by using the time and talents of our members, leadership and staff.
